Overall Length:

30.000 inches

Overall Width:

17.000 inches

Thickness:

0.071 inches

End Application:

C-135

Aircraft Location:

Door, inside

Special Features:

Finish f2.130, ht tr t4

Material:

Aluminum alloy 2024

Material Specification:

Qq-a-362-0 federal specification single material response

Shelf Life:

N/a

Unit Of Measure:

--

Demilitarization:

Yes - demil/mli

Fig:

A11700
