Material Thickness:

0.071 inches

Aircraft Mission Design Series:

F-16

Special Features:

300 gal ext cl ftk pivot brkt

Material:

Aluminum alloy 6061

Material Specification:

Qq-a-250/11-t6 federal specification single material response

Shelf Life:

N/a

Unit Of Measure:

--

Demilitarization:

Yes - demil/mli

Fig:

A11500
