Overall Length:

2.250 inches

Overall Width:

1.900 inches

Material Thickness:

0.125 inches

Aircraft Location:

Turnbuckle plate

Aircraft Mission Design Series:

B-52

Special Features:

T3 temper; finish f2.115

Material:

Aluminum alloy 2024

Material Specification:

Qq-a-362 federal specification single material response

Shelf Life:

N/a

Unit Of Measure:

--

Demilitarization:

Yes - demil/mli

Fig:

A11400
