Overall Length:

55.000 inches

Overall Width:

3.000 inches

Material Thickness:

0.025 inches

Aircraft Mission Design Series:

B-52

Special Features:

Comm pure titanium compliance with boeing pflo 6.5.1.2 and 6.5.2.3 penetrant after forming or straight compliance with boeing process and 6.5.2.2 may be waived; finish f-10.10

Material:

Titanium

Shelf Life:

N/a

Unit Of Measure:

--

Demilitarization:

Yes - demil/mli

Fig:

A11400
