**Overall Length:**

15.000 inches

**Overall Width:**

3.000 inches

**Material Thickness:**

0.063 inches

**Aircraft Location:**

Pylon beam

**Aircraft Mission Design Series:**

C-141

**Special Features:**

Temper t6

**Material:**

Aluminum alloy 7075

**Material Specification:**

Qq-a-287 federal specification single material response

**Shelf Life:**

N/a

**Unit Of Measure:**

--

**Demilitarization:**

Yes - demil/mli

**Fig:**

A11400
