Aircraft Location:

Sealing

Aircraft Station Number:

W.S. 90.000

Aircraft Mission Design Series:

A-10

Special Features:

Matl: alum sh

Material:

Aluminum alloy 6061

Material Specification:

Qq-a-250/11 federal specification single material response

Shelf Life:

N/a

Unit Of Measure:

--

Demilitarization:

Yes - demil/mli

Fig:

A11800
