Overall Length:

144.000 inches

Overall Width:

60.000 inches

Thickness:

0.190 inches

End Application:

F-15

Material:

Aluminum alloy 7075

Material Specification:

Qq-a-250/12 federal specification single material response

Shelf Life:

N/a

Unit Of Measure:

--

Demilitarization:

Yes - demil/mli

Fig:

A11700
