Overall Length:

13.500 inches

Overall Width:

5.000 inches

Material Thickness:

0.063 inches

End Application:

F-15

Material:

Aluminum alloy 7075

Material Specification:

Qq-a-250/12-0 federal specification single material response

Shelf Life:

N/a

Unit Of Measure:

--

Demilitarization:

Yes - demil/mli

Fig:

A11400
