Overall Length:

19.250 inches

Overall Width:

4.750 inches

Material Thickness:

0.040 inches

End Application:

F-15

Material:

Aluminum alloy 2024

Material Specification:

Qq-a-250/4-0 federal specification single material response

Shelf Life:

N/a

Unit Of Measure:

--

Demilitarization:

Yes - demil/mli

Fig:

A11400
