Overall Length:

108.700 inches

Overall Width:

6.500 inches

Thickness:

0.0125 inches

End Application:

F-15

Material:

Aluminum alloy 7075

Material Specification:

Qq-a-250/24 federal specification single material response

Shelf Life:

N/a

Unit Of Measure:

--

Demilitarization:

Yes - demil/mli

Fig:

A11700
