**Material Thickness:**

0.500 inches

**Aircraft Mission Design Series:**

F-16

**Special Features:**

Alr 69 e/j band antenna

**Material:**

Aluminum alloy 6061

**Material Specification:**

Qq-a-250/11-0 federal specification single material response

**Shelf Life:**

N/a

**Unit Of Measure:**

--

**Demilitarization:**

No

**Fiig:**

A11500
