Aircraft Location:

Windshield

Aircraft Mission Design Series:

A-10

Special Features:

Matl: al heat forged; temper t411

Material:

Aluminum alloy 7075

Material Specification:

Qq-a-367 federal specification single material response

Shelf Life:

N/a

Unit Of Measure:

--

Demilitarization:

Yes - demil/mli

Fig:

A11800
