Overall Length:

20.500 inches

Overall Width:

4.500 inches

Material Thickness:

0.025 inches

Aircraft Location:

Lwr web tail cone instl

Aircraft Station Number:

1670

Aircraft Mission Design Series:

Kc-135

Special Features:

Ht t4; finish f-2.115; 0 temper

Material:

Aluminum alloy 2024

Material Specification:

Qq-a-362 federal specification single material response

Shelf Life:

N/a

Unit Of Measure:

--

Demilitarization:

Yes - demil/mli

Fig:

A11800
