**Overall Length:**

20.000 inches

**Overall Width:**

16.000 inches

**Material Thickness:**

0.032 inches

**Aircraft Location:**

Tail cone frame web installation

**Aircraft Station Number:**

1640

**Aircraft Mission Design Series:**

Kc-135

**Special Features:**

0 temper; ht t4; finish f-2.115

**Material:**

Aluminum alloy 2024

**Material Specification:**

Qq-a-362 federal specification single material response

**Shelf Life:**

N/a

**Unit Of Measure:**

--

**Demilitarization:**

Yes - demil/mli

**Fig:**

A11800
