Aircraft Location:

Upper torque box wing skin

Aircraft Mission Design Series:

F-4c

Special Features:

Left hand

Material:

Aluminum alloy 7075

Material Specification:

Qq-a-250/13-t851 federal specification single material response

Shelf Life:

N/a

Unit Of Measure:

--

Demilitarization:

Yes - demil/mli

Fig:

A11400
