Overall Length:

2.000 inches

Overall Width:

1.000 inches

Material Thickness:

0.020 inches

End Application:

F-111

Material:

Aluminum alloy

Material Specification:

Qq-a-250/5-13 federal specification single material response

Shelf Life:

N/a

Unit Of Measure:

--

Demilitarization:

Yes - demil/mli

Fig:

A11400
