**Aircraft Location:**

Upper torque box wing skin

**Aircraft Mission Design Series:**

F-4c

**Special Features:**

Left hand

**Material:**

Aluminum alloy 7075

**Material Specification:**

Qq-a-250/12-t851 federal specification single material response

**Shelf Life:**

N/a

**Unit Of Measure:**

--

**Demilitarization:**

Yes - demil/mli

**Fig:**

A11400
