Overall Length:

7.500 inches

Overall Width:

0.500 inches

Material Thickness:

0.063 inches

Aircraft Location:

Shock mount tray

Aircraft Mission Design Series:

Rf-4c

Special Features:

2nd matl 10133-0401; 10 holes with 9 equally spaced at 0.750 in. Apart, 0.098 in. Dia.

Material:

Aluminum alloy 2024

Material Specification:

Qq-a-200/3 t4 federal specification single material response

Shelf Life:

N/a

Unit Of Measure:

--

Demilitarization:

Yes - demil/mli

Fig:

A11400
