Overall Length:

81.300 inches

Overall Width:

20.200 inches

Thickness:

0.050 inches

End Application:

C-135 airplane.

Side For Which Designed:

Right side

Aircraft Mission Design Series:

C-135

Special Features:

Matt clad, heat treat per t6,

Material:

Aluminum alloy 7075

Material Specification:

Qq-a-287 federal specification single material response

Shelf Life:

N/a

Unit Of Measure:

--

Demilitarization:

Yes - demil/mli

Fig:

A11700
