Overall Length:

30.000 inches

Overall Width:

3.000 inches

Material Thickness:

0.032 inches

End Application:

F-111

Material:

Aluminum alloy

Material Specification:

Qq-a-362-t6 federal specification single material response

Shelf Life:

N/a

Unit Of Measure:

--

Demilitarization:

Yes - demil/mli

Fig:

A11400
