Overall Length:

3.000 inches

Overall Width:

3.000 inches

Material Thickness:

1.015 inches

Aircraft Location:

Inbd latch mechanism, emer exit

Aircraft Mission Design Series:

C-141

Special Features:

U/a: arm; matl: 1.015in diameter hole; temper t651; alum alloy, bare

Material:

Aluminum alloy 7075

Material Specification:

Qq-a-283 federal specification single material response

Shelf Life:

N/a

Unit Of Measure:

--

Demilitarization:

Yes - demil/mli

Fig:

A11800
