End Application:

A-10

Criticality Code Justification:

Feat

Product Name:

Spacer, rotor hub

Special Features:

Form, fit and function

Material:

Stainless steel

Material Specification:

Mil-s-25043, 17-7 ph, cond a military specification single material response

Shelf Life:

N/a

Unit Of Measure:

--

Demilitarization:

Yes - demil/mli

Fig:

A11400

Mil-std (military Standard):

Mil-s-25043 spec.
