**End Application:**

A-10

**Criticality Code Justification:**

Feat

**Product Name:**

Spacer, rotor hub

**Special Features:**

Form, fit and function

**Material:**

Stainless steel

**Material Specification:**

Mil-s-25043, 17-7 ph, cond a military specification single material response

**Shelf Life:**

N/a

**Unit Of Measure:**

--

**Demilitarization:**

Yes - demil/mli

**Fig:**

A11400

**Mil-std (military Standard):**

Mil-s-25043 spec.
