End Application:

H-60a

Product Name:

Bracket assembly, deicing-tail rotor blade

Special Features:

Consists of 2 angles and 1 bracket

Material:

Aluminum alloy 2024

Material Specification:

Qq-a-250/5 federal specification single material response

Shelf Life:

N/a

Unit Of Measure:

--

Demilitarization:

Yes - demil/mli

Fig:

A11800
