**End Application:**

H-60a

**Product Name:**

Bracket assembly, deicing-tail rotor blade

**Special Features:**

Consists of 2 angles and 1 bracket

**Material:**

Aluminum alloy 2024

**Material Specification:**

Qq-a-250/5 federal specification single material response

**Shelf Life:**

N/a

**Unit Of Measure:**

--

**Demilitarization:**

Yes - demil/mli

**Fig:**

A11800
