Material Thickness:

0.050 inches

Aircraft Location:

Keel web

Aircraft Mission Design Series:

F/rf-4

Material:

Aluminum alloy 7178

Material Specification:

Qq-a-250/15-0 federal specification single material response

Shelf Life:

N/a

Unit Of Measure:

--

Demilitarization:

Yes - demil/mli

Fig:

A11400
