Overall Length:

10.000 inches

Overall Width:

8.000 inches

Material Thickness:

0.040 inches

Side For Which Designed:

Right side

Aircraft Location:

Longeron installation cabin roof

Aircraft Mission Design Series:

Uh-1n helicopter

Special Features:

Temp o

Material:

Aluminum alloy 2024

Material Specification:

Qq-a-250/5-t42 federal specification single material response

Shelf Life:

N/a

Unit Of Measure:

--

Demilitarization:

Yes - demil/mli

Fig:

A11400
