Overall Length:

42.000 inches

Aircraft Location:

Right hand fan nozzle sleeve ass

Aircraft Station Number:

114.95

Aircraft Mission Design Series:

E-3a

Material:

Aluminum alloy 2024

Material Specification:

Qq-a-200 federal specification single material response

Shelf Life:

N/a

Unit Of Measure:

--

Demilitarization:

Yes - demil/mli

Fig:

A11400
