Overall Length:

6.900 inches

Overall Width:

6.900 inches

Material Thickness:

0.312 inches

Side For Which Designed:

Left side

Aircraft Station Number:

Sta 85.0

Special Features:

Manufacturer suggested name-plate, retaining-window, upper; n/a: 6-10662; matl: plate aluminum t4; czdjaphoto recon nose

Material:

Aluminum alloy 2024

Material Specification:

Qq-a-250/4 federal specification single material response

Shelf Life:

N/a

Unit Of Measure:

--

Demilitarization:

Yes - demil/mli

Fig:

A11400
