Overall Length:

9.880 inches

Overall Width:

3.900 inches

Aircraft Location:

Rear beam

Aircraft Station Number:

Ws77.70

Aircraft Mission Design Series:

C-141a/b

Special Features:

3 holes 0.260 in., dia. Opposite/n 3w00515-104; used as fairing plate

Material:

Aluminum alloy 7075

Material Specification:

Qq-a-287-t6 federal specification single material response

Shelf Life:

N/a

Unit Of Measure:

--

Demilitarization:

Yes - demil/mli

Fig:

A11400
