Overall Length:

5.800 inches

Overall Width:

3.000 inches

Material Thickness:

0.063 inches

Aircraft Location:

Inbd aileron rib chord splice

Aircraft Mission Design Series:

Kc-135

Special Features:

0 temper, heat treat t4; finish f-2.115

Material:

Aluminum alloy 2024

Material Specification:

Qq-a-362 federal specification single material response

Shelf Life:

N/a

Unit Of Measure:

--

Demilitarization:

Yes - demil/mli

Fig:

A11400
