Overall Length:

17.300 inches

Overall Width:

6.600 inches

Material Thickness:

0.040 inches

Aircraft Location:

Outboard aileron

Aircraft Mission Design Series:

Kc135

Special Features:

Opp -3

Material:

Aluminum alloy 2024

Material Specification:

Qq-a-362 federal specification single material response

Shelf Life:

N/a

Unit Of Measure:

--

Demilitarization:

Yes - demil/mli

Fig:

A11400
