**Material Thickness:**

0.080 inches

**Aircraft Station Number:**

BI23.30

**Aircraft Mission Design Series:**

A-10a

**Material:**

Aluminum alloy 7075

**Material Specification:**

Qq-a-250 federal specification single material response

**Shelf Life:**

N/a

**Unit Of Measure:**

--

**Demilitarization:**

Yes - demil/mli

**Fig:**

A11500
