Material Thickness:

0.080 inches

Aircraft Station Number:

BI23.30

Aircraft Mission Design Series:

A-10a

Material:

Aluminum alloy 7075

Material Specification:

Qq-a-250 federal specification single material response

Shelf Life:

N/a

Unit Of Measure:

--

Demilitarization:

Yes - demil/mli

Fig:

A11500
