Overall Length:

95.000 inches

Overall Width:

18.000 inches

Material Thickness:

0.050 inches

Aircraft Location:

Frame installation

Aircraft Station Number:

WI120.0 and fs428.50

Aircraft Mission Design Series:

C-141

Material:

Aluminum alloy 7075

Material Specification:

Qq-a-283-0 federal specification single material response

Shelf Life:

N/a

Unit Of Measure:

--

Demilitarization:

Yes - demil/mli

Fig:

A11400
