Overall Length:

10.100 inches

Overall Width:

7.200 inches

Material Thickness:

0.040 inches

Aircraft Location:

Outbd engine nacelle aft fairing

Aircraft Station Number:

Wbl545.00

Aircraft Mission Design Series:

Kc-135

Special Features:

Opposite -5

Material:

Aluminum alloy 2024

Material Specification:

Qq-a-250 federal specification single material response

Shelf Life:

N/a

Unit Of Measure:

--

Demilitarization:

Yes - demil/mli

Fig:

A11500
