Overall Length:

10.000 inches

Overall Width:

2.620 inches

Aircraft Location:

Assplice, bottom, bilge area repairs

Aircraft Station Number:

Fs412, fs436, and fs442

Aircraft Mission Design Series:

C-141a/c

Special Features:

With radius 83.21

Material:

Aluminum alloy 7075

Material Specification:

Qq-a-250/12-0 federal specification single material response

Shelf Life:

N/a

Unit Of Measure:

--

Demilitarization:

Yes - demil/mli

Fig:

A11400
