Overall Length:

10.000 inches

Overall Width:

1.400 inches

Material Thickness:

0.050 inches

Aircraft Mission Design Series:

A-10

Material:

Aluminum alloy 7075

Material Specification:

Qq-a-250/13-0 federal specification single material response

Shelf Life:

N/a

Unit Of Measure:

--

Demilitarization:

Yes - demil/mli

Fig:

A11400
