Aircraft Location:

Tail fairing installation-outboard strut

Aircraft Station Number:

Pp sta 236.25 - 245.00

Aircraft Mission Design Series:

B-52

Special Features:

Material-aisi 301, 1/2 hard surface cond 2b

Material:

Stainless steel

Material Specification:

Mil-s-5059, comp d military specification single material response

Shelf Life:

N/a

Unit Of Measure:

--

Demilitarization:

Yes - demil/mli

Fig:

A11400

Mil-std (military Standard):

Mil-s-5059 spec.
