End Application:

B-52

Aircraft Location:

Center line, closure rib no. 1 installation-inboard strut

Special Features:

Filler-tapered

Material:

Steel comp 301

Material Specification:

Mil-s-5059 aisi annealed surf cond 2b military specification single material response

Shelf Life:

N/a

Unit Of Measure:

--

Demilitarization:

Yes - demil/mli

Fig:

A11400

Mil-std (military Standard):

Mil-s-5059 spec.
