Overall Length:

24.000 inches

Overall Width:

15.000 inches

Material Thickness:

0.050 inches

Side For Which Designed:

Left side

Aircraft Mission Design Series:

B-52

Special Features:

Upper

Material:

Aluminum alloy 6061

Material Specification:

Qq-a-327-0 federal specification single material response

Shelf Life:

N/a

Unit Of Measure:

--

Demilitarization:

Yes - demil/mli

Fig:

A11400
