Overall Length:

8.900 inches

Overall Width:

8.000 inches

Material Thickness:

0.070 inches

Aircraft Mission Design Series:

B-52

Special Features:

Location-closure rib assembly, inboard strut; function-doubler; matl-4335 steel sheet ams 6434 annealed

Material:

Steel

Shelf Life:

N/a

Unit Of Measure:

--

Demilitarization:

Yes - demil/mli

Fig:

A11400
