End Application:

B-52

Aircraft Location:

Angle frame, firewall installation, forward nacelle

Special Features:

Opposite 25-2308-13

Material:

Aluminum alloy 2024

Material Specification:

Qq-a-362 t3 federal specification single material response

Shelf Life:

N/a

Unit Of Measure:

--

Demilitarization:

Yes - demil/mli

Fig:

A11400
