Overall Length:

14.000 inches

Overall Width:

11.000 inches

Material Thickness:

5.500 inches

Side For Which Designed:

Left side

Aircraft Station Number:

Ws230

Aircraft Mission Design Series:

A-10

Material:

Aluminum alloy 7075

Material Specification:

Qq-a-367 federal specification single material response

Shelf Life:

N/a

Unit Of Measure:

--

Demilitarization:

Yes - demil/mli

Fig:

A11800
