Overall Length:

15.000 inches

Overall Width:

6.700 inches

Material Thickness:

0.050 inches

Aircraft Location:

Fore flap end rib assembly

Aircraft Mission Design Series:

B-52

Special Features:

C/o 1 rib, 1 angle, 3 doubler, 2 gusset; opposite -3015

Material:

Aluminum alloy 2024

Material Specification:

Qq-a-250 federal specification single material response

Shelf Life:

N/a

Unit Of Measure:

--

Demilitarization:

Yes - demil/mli

Fig:

A11400
