Overall Length:

5.700 inches

Overall Width:

1.500 inches

Material Thickness:

0.025 inches

Aircraft Location:

Bracket

Aircraft Mission Design Series:

B-52

Special Features:

Finish-f2.115; clad; tempered t3;

Material:

Aluminum alloy 2024

Material Specification:

Qq-a-362 federal specification single material response

Shelf Life:

N/a

Unit Of Measure:

--

Demilitarization:

Yes - demil/mli

Fig:

A11800
