Overall Length:

11.500 inches

Overall Width:

3.000 inches

Material Thickness:

0.036 inches

Side For Which Designed:

Right side

Aircraft Mission Design Series:

B-52

Special Features:

Steel aisi 17-7ph

Material:

Steel

Material Specification:

Mil-s-25043, cond a, annealed military specification single material response

Shelf Life:

N/a

Unit Of Measure:

--

Demilitarization:

Yes - demil/mli

Fig:

A11400

Mil-std (military Standard):

Mil-s-25043 spec.
