Overall Length:

16.550 inches

Overall Width:

1.400 inches

Material Thickness:

0.016 inches

Aircraft Location:

Mid spar outboard

Aircraft Mission Design Series:

B-52

Special Features:

Zee shaped; 1.230 in. H.

Material:

Aluminum alloy 7075

Material Specification:

Qq-a-277 t6 federal specification single material response

Shelf Life:

N/a

Unit Of Measure:

--

Demilitarization:

Yes - demil/mli

Fig:

A11400
