**Overall Length:**

64.000 inches

**Aircraft Location:**

Stiffener, fairing installation, trailing edge, inboard strut no. 2

**Aircraft Mission Design Series:**

B-52

**Special Features:**

Alter basic 1515-514 extr.

**Material:**

Aluminum alloy 2024

**Material Specification:**

Qq-a-267 t0 federal specification single material response

**Shelf Life:**

N/a

**Unit Of Measure:**

--

**Demilitarization:**

Yes - demil/mli

**Fig:**

A11400
