End Application:

B-52

Side For Which Designed:

Right side

Aircraft Location:

Outboard strut

Special Features:

Mfg stock bac1506-1311 x 57.000 in. Lg

Material:

Aluminum alloy 7075

Material Specification:

Qq-a-277 t6 federal specification single material response

Shelf Life:

N/a

Unit Of Measure:

--

Demilitarization:

Yes - demil/mli

Fig:

A11400
